MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT : Compilation of Uncompensated Overtime

1. The Director has expressed interest in the possibility that statistics on Agency uncompensated overtime might be of assistance in discussions with the Bureau of the Budget and Congressional Committees.

2. I am aware of the fact that such information is not readily available and the establishment of a system to accurately accumulate such statistics might increase administrative costs out of proportion to the value and usefulness of the data.

3. Therefore, in order to obtain a sample for evaluation purposes with as little effort and cost possible, you are requested to maintain a reasonably accurate record of uncompensated overtime for the month of January only, and submit a report to the Comptroller by 10 February 1956, broken down as follows:

	<u>No. Hours</u>	<u>Amount</u>
Grades 16-18		
11-15		
7-11		
Below 7		

4. This information will be analyzed and a determination will be made as to the practicability of continuing the compilation of these figures.
